General Description

Teen Language Adventure (TLA) offers an effective small-group language course combined with an adventure in Canadian culture and lifestyle. In July and August, TLA welcomes teenagers from ages 12 to 17 from diverse areas of the globe to Toronto.

English lessons and activities take place between 09:00 – 16:00 Monday to Friday. TLA activities are chosen to ensure that students are offered a balance of sports with a variety of interesting cultural outings.

TLA Toronto's residence programme ensures a safe and exciting stay. The residence, cafeteria and classrooms are all in the same building. It is centrally located in the heart of Toronto – close to the main tourist attractions and shopping. As an option, students can choose homestay. Students in homestay must be more independent as they will have free time during the day.

Campus

Formerly a 4-star hotel, TLA Toronto is in a beautiful building located behind Toronto's city hall. The building is air-conditioned. Each large bedroom has its own bathroom. The cafeteria has an extensive buffet. LSC provides 24-hour supervision as LSC staff live in the residence with the students.
